

Summer 2019

Driver's Education

Pillager School

Classroom Instruction \$50

The summer of 2019 Driver's Education classroom course is offered to anyone over 14 years old by the first day of class with Mr. Rob Free-love. Passing this course allows a student to secure a driver's permit. Students must register below to be included in the class.

In order to get a Minnesota driver's permit the student must be at least 15 years old, pass the permit test given at the Driver's Testing site in Brainerd and be enrolled in a behind-the-wheel driving class that offers six hours of behind-the-wheel instruction by a certified instructor. You have to hold a permit for 6 months before you can get a license.

Pillager students are not required to take your behind-the-wheel from Pillager School, but this training is available through the Community Ed office here with certified instructors. It may also be available at other driver's schools in the area. It is the student's responsibility to register for Behind-the-Wheel hours with the instructor of their choice. (If you opt to use another driving school, you must have a document from the instructor of the classroom portion before they will give BTW instruction.)

Behind-the-Wheel Training \$250

- Behind-the-Wheel Training is scheduled on a one-on-one basis, trying to accommodate the schedule of both student and trainer. BTW is scheduled after classroom instruction is completed.
- The six required hours are spread out, given in two-hour sessions (or one-hour session if you ride with a partner) through the six months that the student holds a permit. The final hour is scheduled as a review just before the student takes their driver's test.
- When your training schedule is planned, it is important to keep every appointment. If you can not make an appointment please give the trainer a 24-hour notice. He will do the same for you. Emergencies are an exception.
- "No Shows" for scheduled BTW lessons without prior arrangements will result in those missed hours being scheduled at the end of the cycle (maybe as much as 2 months later.)
- If the student wishes additional training, each extra Behind-the-Wheel lesson (beyond the 6 hours included in this class) will cost \$35 per hour.
- Cost for six (6) hours of instruction is \$250. This fee includes training and vehicle expense including gas.

ONLINE REGISTRATION AND CREDIT CARD PAYMENTS ACCEPTED

To register online with a credit card, go to the school website (www.isd116.org) and click on the tab on the left side called "Community Connection". On that page, look for the big words right in the middle of the page "Online Registration". This will take you to the page where you can put money in your lunch account or register for Community Education classes, including Drivers Ed. Use this resource OR you may still register with the paper form below.
